Re: Sales Tax Hold

Dear Licensee(s):

This office has been directed by the State Comptroller's Office to hold your 2013 Renewal License until delinquent tax payments have been resolved with the State Sales Tax Compliance Division of that agency. This agency may not release your 2013 renewal license until personnel at the Sales Tax Compliance Office fax or email a written release to this agency. Our personnel cannot accept payment receipts or canceled checks as a release. If you have any questions about your license being held, please contact the Compliance Division of the Comptroller's Office at (410) 767-1630 since only that office may release the hold on your license.

The Comptroller's office has also advised us that ALL payments made for liquor renewals must be in **Guaranteed Funds**. That office also indicates that it may take two business days to process your payment and release the hold. If you wait until the end of April to resolve the outstanding tax issue, your license may not be issued by May 1st.

Even though there is a sales tax hold on your license, you **must file your renewal application during the period March 1-31, 2013**. Failure to file your renewal in a timely fashion will result in a late fee of \$50 per day

Very truly yours,
